The fund's portfolio of investments is as of the date shown and may not represent current or future portfolio composition. A complete list of the fund's portfolio holdings is generally available on [www.suncapitaladvisers.com](http://www.suncapitaladvisers.com) 30 days after the end of each month. For month end portfolio data that corresponds to the fund's quarterly, semi-annual, or annual report, please refer to those reports for the most accurate listing of portfolio holdings.

Shares of the fund are offered only to insurance company separate accounts to serve as investment vehicles for variable annuities and variable life insurance contracts, and are not offered directly to the public. Variable contract owners should review the separate account prospectus prepared by the insurance company for their contracts. The fund's prospectus contains important information about the fund's investment objectives, risks, charges and ongoing expenses that a variable contract owner should consider carefully before investing in the fund. To view the fund's prospectus please return to the fund's main page and click on the link provided there.
